1946

The second Louisiana edition of
Bruin—Louisiana Legends and Festivals.

A year-book published by the students of Bolton High School, Alexandria, Louisiana.

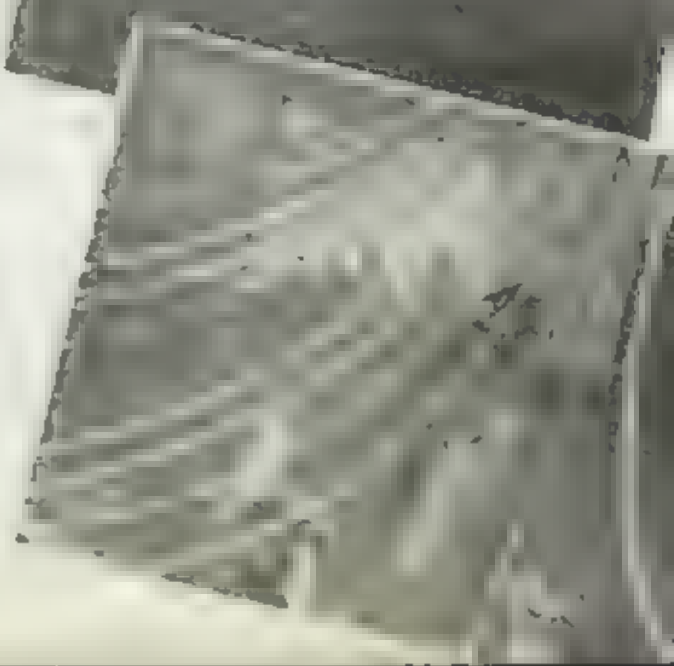

TO MR. S. M. Brame—whose clear vision and capable leadership have placed Bolton High School among the leading secondary schools of Louisiana.

"Forty years have I labored among you" could describe Mr. Brame's faithful service as teacher and principal. His unswerving honesty in athletics, and his careful adherence to scholastic standards have won the respect of the entire state. His constant and kindly guidance to the many classes who have worked here have been their inspiration. In appreciation of his splendid character and service to them and to those who have gone before, the Senior Class of 1946 dedicates this, the 23rd volume of Bruin.

Evangeline

Louisiana makes Longfellow's famous poem "Evangeline" even more realistic by her statue at St. Martinville. This section of Louisiana is chiefly settled by the descendants of the French exiled from Acadia. They still cherish the memory of their old home in Acadia and are proud of the poem telling of their exile, their wanderings, and their new found home in Louisiana, and of Emmeline Labiche, whom Longfellow chose to call Evangeline.

Jean Lafitte

Perhaps the most gamorous character in the history of Louisiana is the handsome Frenchman Jean Lafitte. Reared in the bayou country below New Orleans, he became the famous Pirate of Barataria. For a while there was a price on his head offered by Governor Claiborne, and to show his humor Lafitte doubled the amount and offered it for the governor's head. Lafitte and his brother, however, showed their patriotism to the United States by assisting General Jackson in the War of 1812 against the British in the Battle of New Orleans. Indeed Jean Lafitte was the idol of many youth and a loyal and faithful servant to Louisiana and the government in its need.

Features

Mardi Gras

Mardi Gras is a festival of Louisiana that brings thousands of visitors from all parts of the country to enjoy the parades, carnival balls, masquerades and other pre-Lenten activities. This famous gala affair of the Crescent City is now being held for the first time since the war. Once again there will be Rex and the carnival floats, the choosing of the queen and all the harlequining that climaxes this season beginning the Twelfth Night and ending with Shrove Tuesday.

Campus Queen

When the entire student body voted for Queen of the Campus, they had in mind someone who could wax and wax with an Eighth grader or Senior boy or girl and impress him with her charming personality. We wanted a girl who entered into the activities with a typical Boltonite's spirit. We wanted her to be gay, yet level-headed; fun yet dependable. That's why we chose our Polly.

Victory Ball

The Victory Ball, held at the Elks Club, was a great success. The money raised was for the benefit of the war veterans. The ball was held on a Friday night and was attended by a large number of people. The dancing was very good and the food was excellent. The ball was a great success and the money raised was a great help to the war veterans.

JM—LOOKS GOOD

ALL'S OVER EXCEPT THE DANCING

SHIRLEY HICKMAN—Most Popular Senior Girl—won her title by her ever-present charm and friendliness. As the guiding hand in Cumtux work and a fiery leader in debate, "Hickye" has won a place in the heart of every Botanite.

MIKE FLYNN—Most Popular Senior Boy and Best All-round Senior Boy—can always laugh easily and keep his buddies doing the same. The Seniors think he deserves two titles for he is their favorite.

GWEN BROUILLETTE—Best All-round Senior Girl—is by far the peppiest girl on the campus. Never looking the least bit tired, Gwen rushes around from one activity to another, putting her very best into everything she undertakes.

Campus

TONIA GILREATH—Best Dressed Senior Girl—has a knack for being the instigator of fads and fashions through her good taste in clothes and her ability to wear them to perfection!

HELEN WILLIAMS—Senior Girl Most Likely to Succeed—excelling in scholarship, friendship and leadership, is constantly "lending a hand" wherever needed. She is our unsung heroine and a true Bolton worker.

BOBBY VALENTINE—Best-Dressed Senior Boy—is always neat as a pin and wears just the thing for school.

Personalities

JOHN ALEX CAESAR—Best Boy Athlete—although John didn't play football this year he made himself outstanding by coaching football and basketball "cubs." We like "Coach Caesar" for his fair play and good sportsmanship.

RICHARD HORTMAN—Senior Boy Most Likely to Succeed—is quiet and unobtrusive in manner but known as one of the most intelligent boys in school. His scholastic rating can't be surpassed.

DOUG TATUM—Best All-round Sophomore—Happy-go-lucky Doug had to leave Bolton and go to Michigan. Bolton considers it a great loss, but feels sure he will be a hit wherever he goes

BOBBY BROUSSARD—Best All-round Junior—is loved by not only the Juniors but by the whole school because of his good-natured and friendly disposition and as a football and basketball hero

E. K. JAMES—Best-Looking Senior Boy—E. K. has the Senior girls in a whirl all the time. He is the "tall, dark and handsome" type and has a magnetic personality

Campus

GEORGE NELL ANTONY—Best All-round Freshman—is a twinkly-eyed Freshman with an immense curiosity and a good manner. Her classmates all agree she's a grand All-round person

SONNY PEARCE—Best All-round Eighth Grader—Be ware of the mischievous twinkle of his eyes because it warns you of his fun loving nature and typical eighth grade conception of high school

BETTY WELLS—Well-read, well-informed, well-loved, is the storehouse of more amazing stories, and more unheard of facts than Winchell and Ripley. BRUIN finds her a good source of new ideas and the Blue Triangle couldn't do without her suggestions.

Personalities

HORACE CORLEY—He's already a business man, working on the Treasury Staff, taking dictation, typing and bookkeeping. He's indeed an asset to the Commerce Department.

RUDY CANNON—Noisy but nice, with his rumbling voice has shown his talent in Radio Speaking and every other kind of speech work. As Assistant Business Manager, you will find Rudy, feet propped up on the desk . . . really working!

SARA PAT ANDRY—Peaches and cream complexion plus what it takes to make a good Business Manager of BRUIN, equals a peach of a girl

AUBREY GRAY—From writing Bolton High Notes to typing BRUIN copy—Aubrey ranks among the best. He's always so willing to lend a hand that things wouldn't get done without him.

McGINTY McBRIDE—Handsome blonde Senior who works diligently as president of the Key Club and as a member of the National Honor Society.

Campus

JUNE COTEY—Smiling, cheerful, poised, and calm, with a juggler's dexterity, edited BRUIN, won speech contests, presided over numerous clubs and kept a high scholastic record! What magic!

EUGENE DUNCAN—A tall, dignified, and grave young man with a deceiving twinkle of mischief in his eyes, is one of our most trustworthy and well-liked Seniors.

POLLY ADAMS—Pert, tiny blonde Senior who amazes everyone with her poise and dependability, is best known for her untiring work on Cumtux, in Dramatics, in the Press Club, and as president of the National Honor Society. No wonder she is our Campus Queen!

Personalities

JIMMY LASHLEY—Efficient Business Manager of Cumtux, is also an effective speaker and an able photographer.

"TEENCY" WALKER—Quiet, graceful and a startling beauty finds herself as a "personality" because of her impressive speech work, and her constant loyalty to BRUIN.

MARY VIRGINIA PEARCE—a talkative, vivacious brunette, keeps everyone in a good humor and promotes friendship wherever she is. Vee puts sparkle into her writing on Cumtux, and animation in any other organization she belongs to.

KELLY HAMM—The fellow who is always winning a place in Speech tournaments for his oratory and extemporaneous speaking and who wins debates just as frequently.

ELOISE HEAD—Works quietly, quickly and accurately, anywhere, anytime. Teachers couldn't do without her able assistance nor the students without her sweet good-humored smile.

Campus

ANITA STEWART—Is a level-headed BRUIN Business worker with a sweet disposition and a "never shirt" attitude.

ERNEST PETERMAN—Genial and capable, has been an outstanding leader in 4-H work in Rapides Parish for several years and has made an excellent secretary for the National Honor Society

CHARLENE GILBERT—Quaint and doll-like has a personality that coincides with her picturesque appearance. Blue Triangle and BRUIN are always claiming her for her initiative and her dependability.

Personalities

JEWEL DELOACH—Is a girl with the quality known as "get up and go." She works efficiently and quietly on the Treasury Staff

BARBARA CAPPEL—Is an olive-skinned brunette who is a sympathetic listener and an interesting conversationalist

BRUIN BUSINESS STAFF

Bruin Business Staff

When you are knocked down and pushed around, it isn't the old days of Chicago coming back. It is just the usual procedure of the Bruin Business Staff trying to sell you your BRUIN and your picture contract. When you walk into the business office and see paper all over the place, people yelling at one another, it isn't a crazy house. It is the place where our annual is financed. These boys and girls spend many of their afternoons selling advertisements. They are one of the main reasons BRUIN gets better every year.

Cumtux Editorial Staff

Cumtux's reporters stoop to snoop and snoop to scoop. In a very cunning way they ask you who your true love is, or what you did a week ago Friday night, and before you've realized what you have done, the Cumtux reporter walks away with information for a smash hit article. The members of the editorial staff are students who have an ear for news, and a special knack for writing. They cleverly and interestingly give us all the dope about what is going on around our dear Alma Mater.

These are our hardworking newspapermen
of Bolton.

Cumtux Business Staff

No labor strikes have stopped production on Cumtux's BIG BUSINESS front! Working many hours overtime but demanding no time-and-a-half pay, this branch of the school's newspaper has numerous tasks such as selling ads, receiving and sorting the finished editions and delivering them to the students and soliciting new subscriptions. This staff has at a times worked with its Editorial Staff, with maximum efficiency toward the common goal of achieving a first rate high school newspaper. The Cumtux Business Staff, having gained top recognition in its war-time work, is facing its postwar world in the same fine spirit as during the trying years.

One of the main morale lifters at Bolton is our sixty-piece football band. Under the able leadership of Captain McGinty McBride and Lt. Richard Hortman, the football band entertains spectators with lively marches and snappy formations at the halves of all the home football games. These performances require much field practice on the night before the game. They also play at the basketball games, at uptown parades and other similar occasions.

This group knows its business from grease paint and stage craft to the last curtain call. They not only produce plays for Bolton audiences but have aided the government's recreational program by giving numerous performances at the USO's and at the nearby army camps and the Veterans' Hospital

In the years 1942-46 the club has produced one or two one-act plays a month and has had a regular weekly radio broadcast. The goal of its most advanced members this year has been affiliation with the National Thespians Honor Society for High Schools.

Girls' Pelican State

Shirley Hickman, Governor of Girls' Pelican State

On the morning of June 25, ten very excited girls from Pelican arrived at the train station in Baton Rouge and made their way to the Louisiana State University Campus. They weren't too busy, for approximately \$25 from the Governor's fund were going to the same place. The girls were: Betty Ann, Anna, Girl, Pelican State.

After the first day, it wasn't an interesting thing to do. I spent 2 1/2 hours working on my feet and making a big speech, getting up at 6 a.m., marching every where and waiting in a, certainly, endless lines for meals.

Besides all that, however, there was lots of fun. The making of new friends, swimming in the university pool and at the same time, earning money for the government for our school and

The Dueling Oaks

In City Park at New Orleans grows a group of giant oaks famous as a dueling ground. On this spot many rivals gathered to settle age old family, political, and personal quarrels and disputes with an invitation to "pistols for two and coffee for one." These century-old oaks linked with important events and traditions in the story of Louisiana are being preserved through the Society of Live Oaks for future generations to view in their study of Louisiana.

The following table shows the results of the survey for the year 1998. The data is presented in a table with 5 columns: Country, Number of respondents, Percentage of respondents, and Comments. The data is as follows:

The 1945 team at Bolton had the best record in the past several years, although there was a new coach with a new system to teach. The only returning lettermen were Broussard, Hay, Daenen, Lacombe, Schroll, Vicknair, and Coker. The rest of the team was made up from the Cubs and last year's second team.

For the first game of the season, the Natchitoches Red Devils met the Bruins on the Bears' home field. The new untried Bears trampled them 39-13.

The following week the Bears made their first trip of the season to the capital city to meet the Baton Rouge Bulldogs and when the gun reported the close of the game, the score was 7-7.

For the third game of the season a heavier and more experienced eleven from Fair Park of Shreveport handed the Bruins their first defeat of the season, 12-0. The Bears played a driving game but were out classed.

Opelousas made the trip to Bolton to suffer defeat at the hands of a team that was beginning to grow stronger. The final score was 39-9.

The Bears traveled to Jennings to meet the second defeat of the season against Coach Simmons' eleven to the tune of a 12-6 score.

For the fifth game of the season, the Bruins went to the colorful state of Texas for the first time since before the war to suffer defeat at the hands of a larger and more powerful Orange High team, 51-0

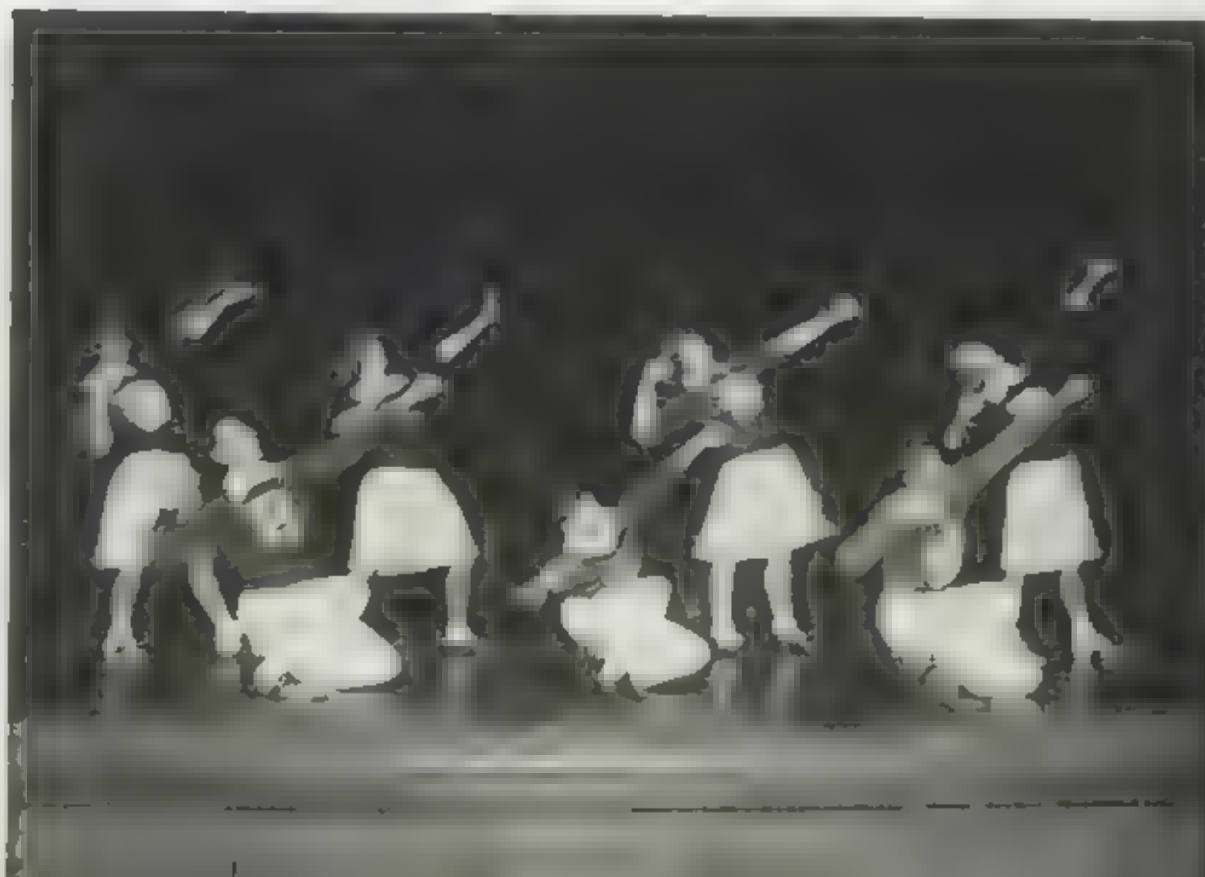

For the first time in three years the Bolton Bears extracted the stinger of the Byrd Yellow Jackets by a 26-12 victory with all our players taking part. This was one of the highlights of the season, for the Band, Band Boosters and many of the loyal Boltonites were on hand to cheer the Bears to Victory.

The seventh game of the season found the Bolton Bears at a serious disadvantage with injuries keeping Hay and Ellis, two first stringers out of the game. The opponent was a heavily favored eleven from Istrouma. The Bears played a good game but again they were defeated, this time by a team that had many veterans who

made All-State last year. The final score was 33-7, with lineman Lacombe scoring the lone Bolton touchdown on a blocked and intercepted pass.

The eighth game of the season for the Bolton Bears found them on their own field. The invading team was the Lake Charles Wildcats who were heavily favored. The Bears played a hard game but the combination of Kingery and Land trip proved to be too much for them. With Daenen making the only tally for the Bears, the final score was 32-7 in favor of the Wildcats.

Thanksgiving day saw the last game of the season for the Bolton Bears. It was also the last game for many of the players. The spectators saw a Bolton team on the field that was out to finish the season the right way. Although the final score was a 13-13 tie, Bolton had more first downs and more yardage than Ouachita.

Thus, the season ended with 3 wins, 2 ties and 5 losses.

Bolton made a gain when Carl Horton moved to town. He is expected to make his rating this year at the State Rally. Skeeter Mathews added his height to the team as an able center. Baton Rouge . . . 5; Lafayette . . . 0
Baton Rouge . . . 6; Opelousas . . . 1
Baton Rouge . . . 4; Marksville . . . 0

Baton Rouge came in first in the state tournament with 12 points, Baton Rouge with 12, and New Orleans with 12. Baton Rouge, Lafayette and Opelousas were tied for 12th.

At the BR National tournament the team was yet to start its 94th year. It was one of the following tournaments:

Blessing the Shrimp Fleet

Each year in southern Louisiana the shrimp fleets gather to receive the blessings of the clergy. This antique custom originated in Brittany through the fisherman's fear of dying at sea without the ministrations of a priest. Our Louisiana French continue the custom today. Celebrating crowds gather to watch this annual event which is climaxed by the coronation of the shrimp king and queen. And with the fleet blessed for the new season, our fishermen go out to sea again.

A glistening blue ribbon shimmering badge of triumph and honor, is often the fruit of some hard-working 4-H member's labors. Such ribbons are given for prize stock and poultry. However, there are not the only projects undertaken by the 4-H Club.

Courses in canning, meal planning, serving, home decorating, etc., are given.

Not only is this club educational and interesting, but it trains the youth of today to be an outstanding citizen of tomorrow.

The four C's—Clean speech, Clean attitude, Clean living, Clean conduct—these are the standards upheld by the Hi-Y boys.

They create, maintain, and extend Christian activities on our campus; they give dances to keep up morale; they are the good ole "all-around fellows."

Junior Debate Club

Flaming minds meet in a battle of wits. The debate club. And the Junior Debaters are learning to fight not with tank and catapult but with riveted words woven in invincible armada of words. The Junior Debaters are learning to think quickly and accurately and to form opinions on the important questions of the day.

The Junior Debaters know it takes a great deal of time and work to be top-notch debaters but they're an enthusiastic crowd.

What a headache! I can't balance the meal and the budget both."

have such discussions at their weekly meetings. The club is part of a national organization that has been in existence for many years. The girls learn to plan well-rounded meals with all the vitamins and minerals other than those which will help them to be healthy.

The Boy Scout Chapter of the Junior Red Cross works mostly with hospitals and underprivileged children. The nearby army hospitals have been kept supplied with flowers, ashtrays, reading materials, afghans, games, and other favors at Thanksgiving and Christmas. Numerous boxes of food and clothing have been sent overseas.

The skill and enthusiasm Bolton students have put into their work has brought cheer and comfort to thousands of our soldiers and to the under privileged people in Europe and America

The Key Club, organized in 1945 and sponsored by the Kiwanis Club, has already taken great steps forward. It carries on the same work for the school as the civic clubs do for the city.

Every Wednesday the meetings are carried on at a luncheon served by the Home Economics Department.

They assisted the Kiwanis club in their annual Horse Show and have been instrumental in securing a much-needed new flag for the school.

National Honor Society

During the war the National Honor Society did a wonderful job of selling bonds and stamps. They got the school to do it every War Loan Drive and stamps in the homeroom every week and planned and sponsored the victory B. Even though the war is now over the National Honor Society is still working in the great work.

Membership in the National Honor Society is a good thing every B. student should have.

The "Water Witches" of Brent High School must work a few days for the Press Club. On these days, they are organizing the team and quaffing their manly drinks to keep the club well informed on a daily basis during the year. This is done through the Brent High Notes, which appear in the Alexandria Town Talk.

The Press Club enjoys visiting with other clubs and groups in a social manner.

Quill and Scroll

The Quill and Scroll is an international honorary society for high school students. It is composed of boys and girls who are outstanding in journalistic ability and scholarship and who are on the school's year book and news paper staff.

Their work ranges from editing and feature articles and business management to photography, art and layout work. Members of this organization have been recognized by the national organization.

Schools are all around better off with the first, C. I. and the second. The members of this all-worthy group have been asked to not to get on the bus, not to climb on a chair to get the goods, the school bus and not to litter the campus with candy wrappers.

Salvage Club

To meet the war's demand for every scrap of paper and every drop of grease the Salvage Club, was organized—the first in Louisiana. Since then everyone has been haunted by the familiar, "bring your paper and grease the day after tomorrow." At present our homeroom one-hundred per cent boys and girls are sponsoring salvage tours and have kept Bottom on top in salvage work.

Beware! These boys bombard the school with the fruit of their chemistry experiments. The smell you-out HCl , H_2SO_4 , H_2S circulate and Bolton is back to Diquaton Barney Barnume style. The tower's genius is at work and it doesn't disturb! And in the Senior Science Club room, they make red paper blue by touching it with a simple solution, they make rainbow explosions out of plain powders—Who says magic is out of date?

During the past year, the Spanish Club has been very active in the school. They have been in every classroom reminding the students of the Spanish Festival. During the American week, they have been making the students aware of the many things that are done in many parts of the world with the help of the Festival.

One thing Bolton is immensely proud of—the students run the school. Not all Boltonites are suited for such a responsibility but those who are find places on the various student assistant staffs. We are indebted to them for handling so well the necessary "red tape" that makes possible the smooth functioning of routine school details and taking much of the "red tape" burden off of the teachers.

Student Assistant Staffs

Now, when you finish numbering those books, go through all the shelves and sort out the non-usable books!" is a familiar remark that can be heard by one who passes by the Book Room on a hot, sweltering day in August before school opens.

The members of this staff busy have a counting picks up 200 students with four or five book numbers getting books for every new student that enters school, and keeping up with our lost books. This enormous task is done with untiring effort by the 10 Student workers.

The main service of the Key Room Staff is that of lending and selling locker keys. It's a life saver when your thinker gets mixed up over the week-end and you come to school without your locker key

Why get me books 6572 Na? What do I find who was king of England in 1750? These and many more are the questions that have to be answered by the student that make up the library staff. They are the ones that straighten the books for us to make up only a few hundred square feet. They are the ones that have a room full of books at their disposal.

Library Staff

A group of library staff members standing in front of the library building.

Checking out a book.

Keeping 15,000 books in order is some job.

More records.

'Checking in.

$\frac{1}{2} + \frac{1}{2} = 1$

Main Office Staff

Report to the main office immediately! And the student hears, "Yes, it is so." Or the long march to doom ~~for~~ means with every step.

[illegible]

With my help, the staff of the school has been able to keep the work of the school running smoothly. I have been able to help the staff in many ways, and I have been able to help the students in many ways. I have been able to help the staff in many ways, and I have been able to help the students in many ways. I have been able to help the staff in many ways, and I have been able to help the students in many ways.

Miss McClellan's Staff

Get out the equipment, girls.

Records, files, reports, whew!

Typing the absentee list

Checking in excuses.

Miss Smith, the Assistant Secretary

Mr. Smith's Office Staff

Among the clicking of the typewriter, the bluffs of excuses, and the murmur of for 20 cents the fire works go on.

Yes, as long there has been a Butler, but they have come in handy for the excuses, raised gym and in return have gotten KIR or game to keep the same hold true today, and it takes the combined efforts of Mr. Smith and the staff for a to keep us with all the work.

The Treasury Staff is the center of Bolton's finance. This important staff is responsible for the money taken in by the different activities of the many clubs. It must take in the money, register it, and give receipts. A slight error in this accounting may cause a great deal of trouble. Records are worked over until the mistake is found. In this way a club can get a quite accurate record on its financial status.

Treasury Staff

The intricate bookkeeping

Do the records check?

Finis

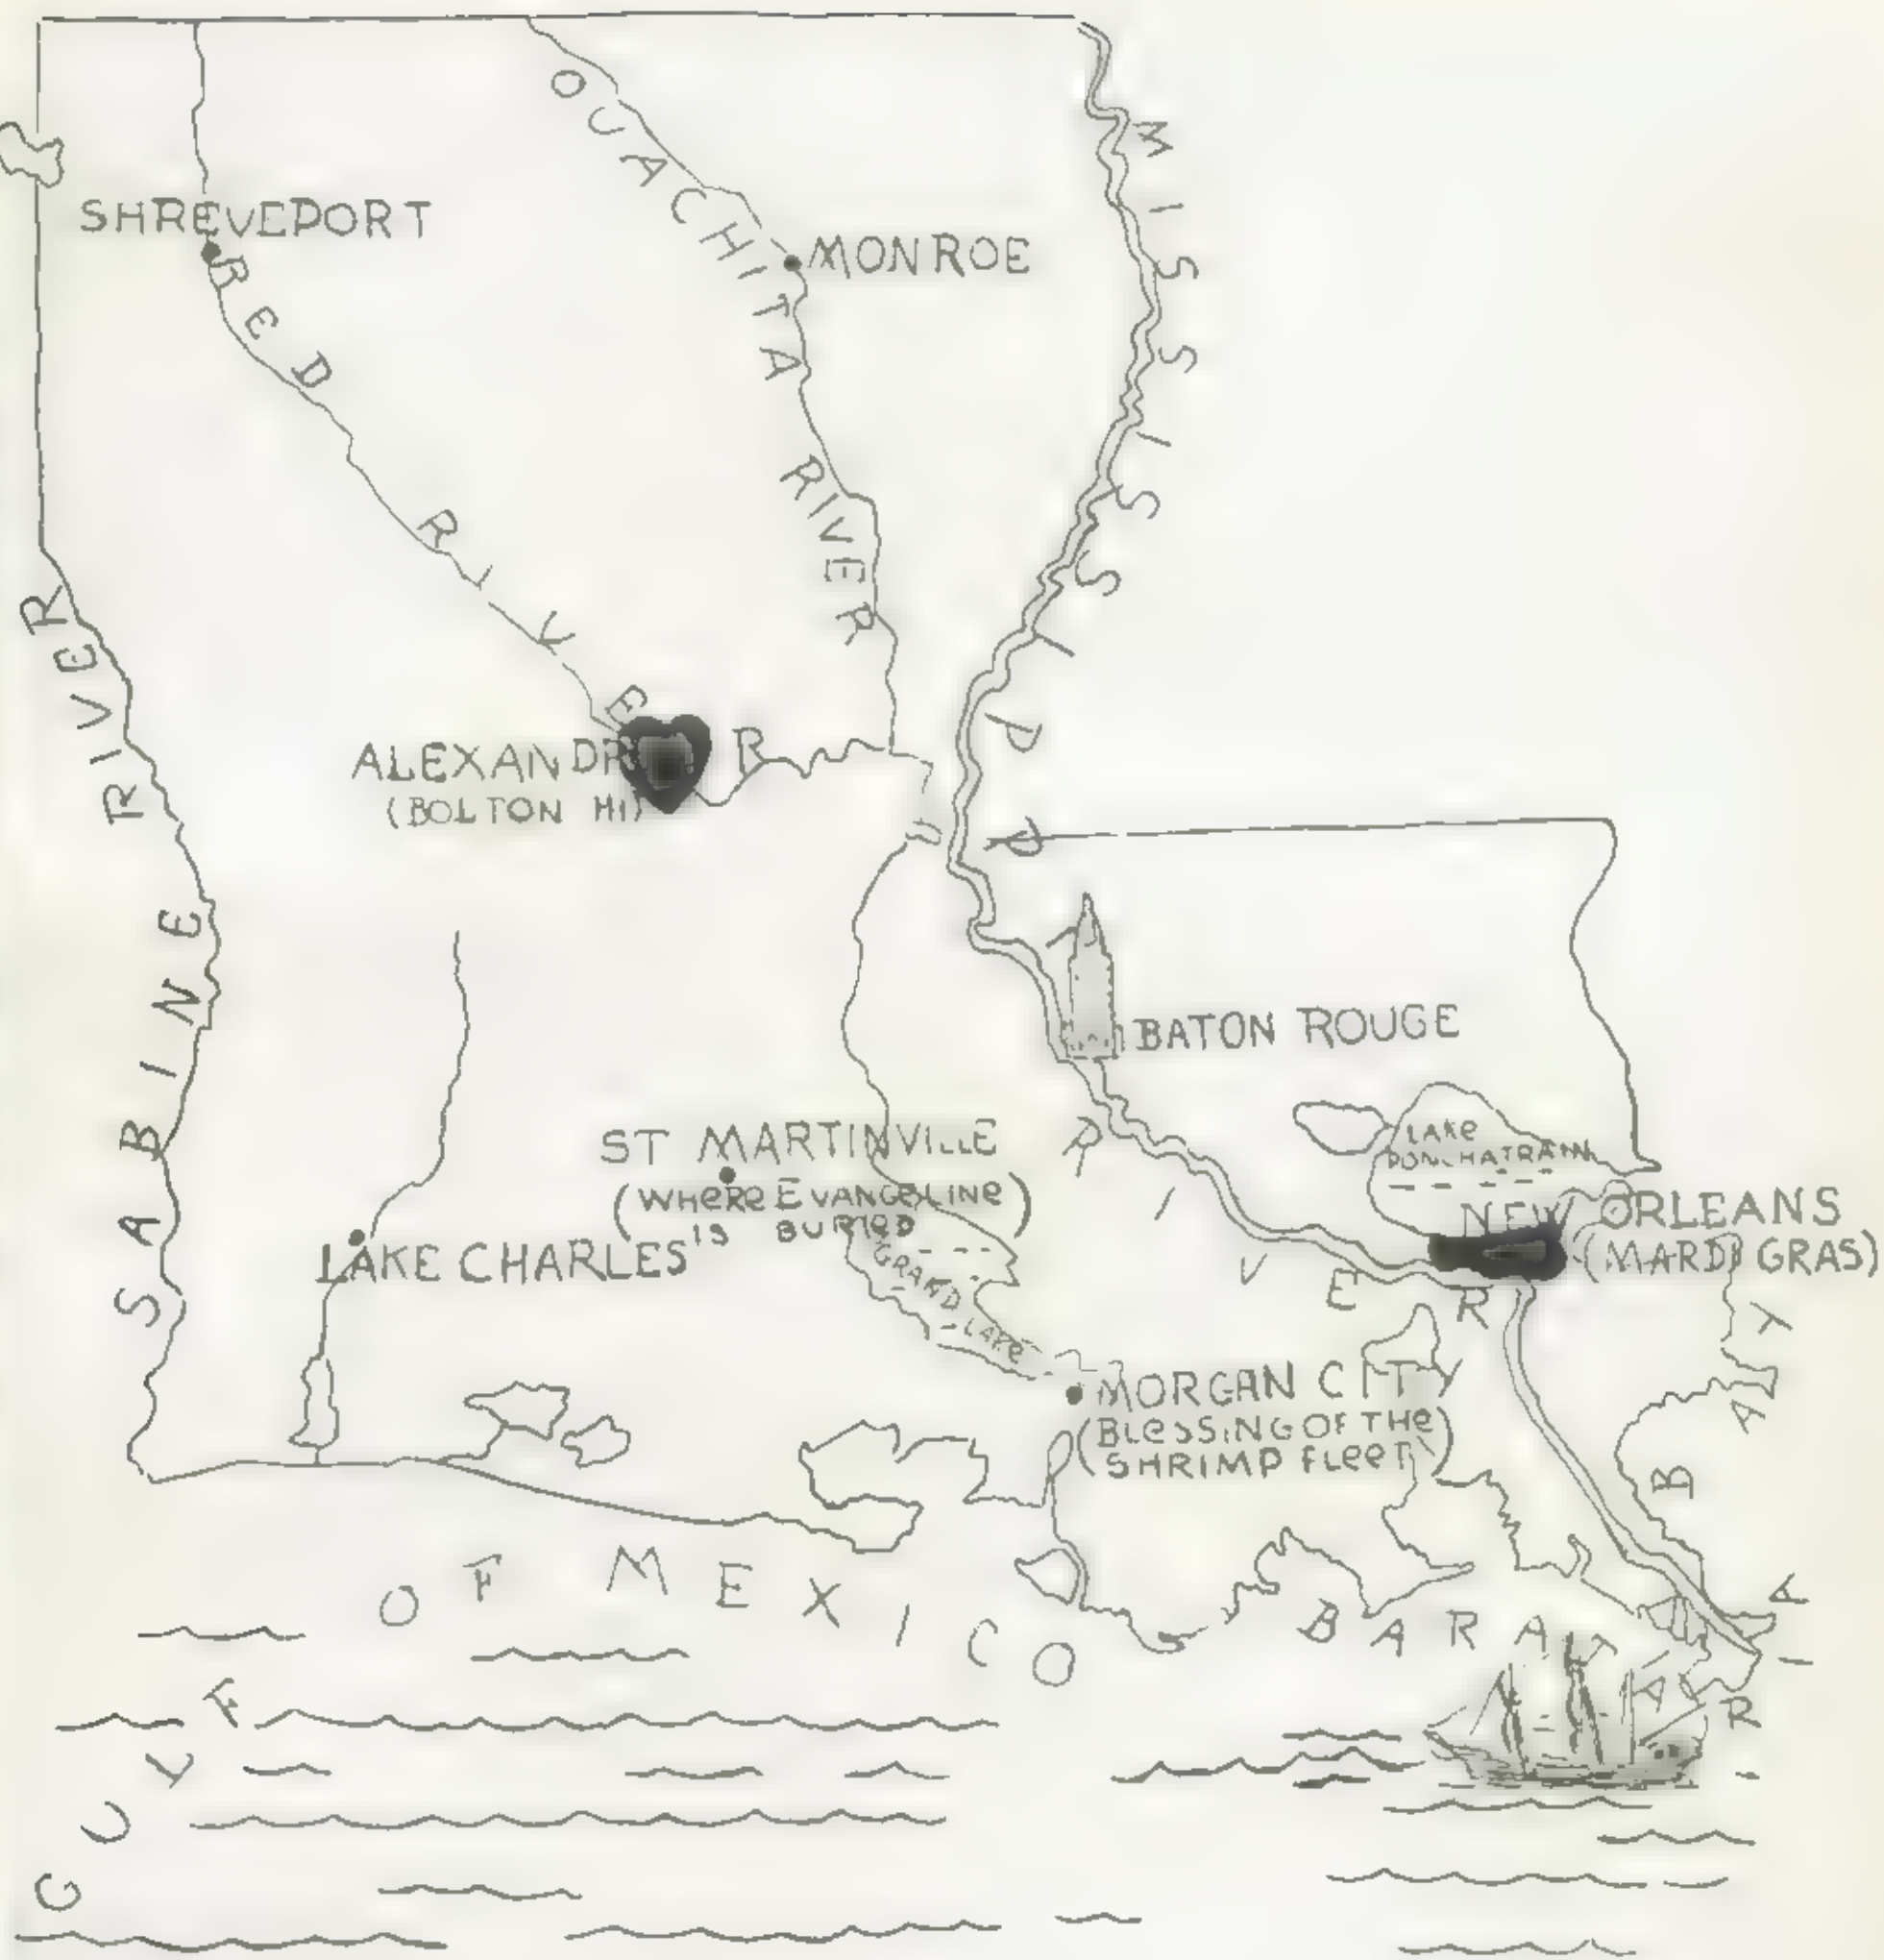

Finis. Another volume of the history of Bolton High School has gone to press. It takes its place with those which have gone before and beckons to those which will surely follow, for school life must go on.

It took the petence of Evangeline, the daring of Lafitte, the fighting spirit of the oust, the sense of humor of Mardi Gras, Momus, King of Misrule, and even the same blessing the shrimp fleet receives. All of these were found through cooperation of the staff, the faculty, the engravers, photographers, and printers.

In all humility, therefore, we present to you the 1946 BRUIN with its background of Louisiana Legends and Festivals.

JUNE COTEY, Editor.

J. SCHROLL

In the center of Louisiana in the Deep South, Bolton High School is a community proud of its style, rich heritage, exciting romantic history, colorful legends and festivals, its own tradition and its unusual natural beauty.

Bolton is a proud of the way it grew from the businessmen of Alexandria and Pineville. They are staunch backers of a major undertaking and have created what is today making life at Bolton High School what it is today.

LOUISIANA COLLEGE

PINEVILLE, LOUISIANA

EDGAR GODBOLD, President

H. M. WEATHERSBY, Dean

A Senior, co-educational college of liberal arts and sciences, fully accredited by state and national standardizing organizations. Founded in 1906. Beautiful campus attractively covered with stately pines. New buildings and equipment being added to meet growing demands. Streamlined calendar to enable students to complete work for Bachelor's Degree in three years. Faculty composed of well-trained and experienced experts in respective departments. Nine weeks' summer term beginning first Tuesday in June with department heads as teachers and instructors. Regular session begins the second Tuesday in September

An earnest effort is made to generate and promote a helpful Christian atmosphere on the campus for the benefit of entire college group. Effective student organizations maintained throughout the year. Strong pre-professional and pre-vocational courses in curriculum

For further information phone President at Office, 5124; residence, 2-2994, or Dean at office, 3236 or residence 5203. Catalogs and other information furnished by mail on request. College offices open during hours for conferences with prospective students and patrons

It's a hummer... Have a Coke

...rug-cutting at the high school gym

Kids sure do know how to get together and get things going. Young folks long ago found that *the pause that refreshes* with ice-cold Coca-Cola is a swell ice-breaker. *Have a Coke* gets over quickly with everybody. All America knows it as an invite to get together and give with the good news.

Dear Agnes,

We've known each other for a good while and believe me I have enjoyed every minute of it. I'm sure I shall never forget you and the good times we've had together. Please always remember me. During all these years we have known each other we never have really gotten mad & broken up for even just a little while. I hope our friendship shall carry on throughout our lives.

Lots of luck, love, success and
best wishes to a swell person,

Love always,
Emma Loyd White
